Photo and Video Consent Form

Name of student: _____

Name of supervising teacher: _____

Name of the project: European STEM League

Dear Sir or Madam,

Science on Stage is a non-profit association which aims to promote the European exchange and the networking between science teachers.

By looking beyond national borders teachers get the opportunity to be inspired by the good practice examples of their European colleagues. The personal exchange about successful teaching concepts improves the science education in Europe.

In the course of the project 'European STEM League' we have created a documentation using photos and/or video sequences of the students.

Therefore we ask for your consent for video, audio and photo recordings of your child.

For queries and further information, please do not hesitate to contact the supervising teacher or directly our association:

Science on Stage Deutschland e.V., Stefanie Schlunk, Executive Management,
