

# Declaration of consent form for students

Dear student,

Thank you for taking part in the Future League competition. Please fill out and sign the following form and hand it to your teacher if

- your teacher will send us your name as part of the competing team and/or
- you are seen in the picture and/or video material that is sent in as part of the application

Name of student: \_\_\_\_\_

Name of supervising teacher: \_\_\_\_\_

### Data processing permission

*In case your teacher sends us your name as part of the competing team, we need your permission to process this data as necessary for the competition. We will not forward your data to anyone else unless your team is selected for the final event, and we have to forward your name for example to a hotel to make your participation possible.*

I hereby consent my personal data sent in with the application is processed as necessary for the competition. The data will be stored digitally and as the circumstances require archived by Science on Stage Deutschland e.V.

### Video and photo consent

*One part of the application is a short video of your project. In case you are in the video, we need your permission that this video (and any other additional image material with you) is used in the competition. Additionally, if your team is selected for the final and you will come to the final event, we need your permission for us to take photo and video recordings during the event to use for example on our website.*

I hereby consent that during the above-mentioned project video and photo recordings are taken of me to be used by Science on Stage Deutschland e.V., Science on Stage Europe e.V. and its member countries, and SAP SE for documenting the results of the project 'Future League' as well as in further project related materials, on their websites, on their social media channels, for press releases, announcements of future projects and for documentation purposes.

The video and image material will be stored digitally and as the circumstances require archived by Science on Stage Deutschland e.V. **The recordings will exclusively be used non-commercially.** You have the right to revoke your consent.

Location, Date

\_\_\_\_\_  
Signature

In case of students under 18

\_\_\_\_\_  
Signature of parent or legal guardian

Science on Stage is a non-profit association which aims to promote the European exchange and the networking between science teachers. The Future League is a competition for teacher-student teams to apply with their innovative projects about the UN Sustainable Development Goals. The 10 best projects will be invited to present their work at an international final event. Each team can be represented by maximum 2 teachers and 3 students at that event.

For queries and further information, please do not hesitate to contact the supervising teacher or directly our association:
