

Please fill in the following fields. The Executive Board will decide about your travel scholarship within a month after the deadline. Make sure you answer all questions properly so that the evaluators can get the full picture of your plans.

For any questions, please contact us: email: j.schulze@science-on-stage.de, phone: +49 (0)30-40006744.

Prerequisites:

- Both the host teacher and the guest teacher must be active school teachers (e.g. pre-primary, primary, secondary, high school). University teachers are not eligible.
- At least one of the teachers, Host teacher and/or guest teacher have attended a Science on Stage festival as delegates, paying delegates or paying guests.

Teacher 1 – Host teacher

Name

Surname

Country

Email

School name

Type of school – please specify (e.g. pre-primary, primary, secondary, high school)

Teacher 2 - Guest teacher

Name

Surname

Country

Email

School name

Type of school – please specify (e.g. pre-primary, primary, secondary, high school)

We apply for the following deadline:

15 March

15 June

15 September

15 December

We met each other at (e.g. Science on Stage festival 2017):

Meeting place

Where do you want to meet each other (e.g. school, ... , ...)?:

Meeting time

When approximately will be your meeting?:

If you want to meet twice, please hand in a second application form **after the first visit took place**. Thank you! The second visit must happen **in another year** than the first exchange.

Travel costs

If you don't know them yet, please estimate the costs:

Data privacy

I have read and accepted the data privacy terms given under <https://www.science-on-stage.eu/data-privacy-statement>.

Reimbursement of travel costs

- Science on Stage Europe can refund up to €400 per exchange (travel costs for one person). We only accept tickets (second class, economy class) and receipts for the journey to the host country and back (neither entrance fees nor any other fees). Reimbursement of taxi receipts only in exceptional cases.
- To refund the travel costs it is necessary to send the original/digital tickets and receipts and personal bank details to the Science on Stage Europe office. In case of e-tickets please save the boarding passes in PDF form or, if you use a smartphone app, take a screenshot of your boarding pass/ticket.

In order to be reimbursed for the travel costs, host teacher and guest teacher are asked to write a short report (including photos) about the teacher exchange, which will be published on Science on Stage Europe's online channels.

Project

Project title:

Project abstract (700 characters):

Subjects involved:

Description of the common plans. Please answer the following questions:

What kind of preliminary work will be done before the travel exchange? (Please specify, e.g. experiments with and without students, presentations, models) (700 characters)

What work will be completed during the meeting? (600 characters)

What work will be completed by each teacher after the travel exchange (e.g. sharing the outcomes through a report, apply for joint project, further exchange, etc.)? (400 characters)

Who will be involved in the project in addition to the collaborative teachers (e.g. students) and what will their role be? (300 characters)

Why is the personal meeting necessary rather than meeting virtually? (300 characters)

What expertise does each teacher have on the proposed project? (400 characters)

What are the objectives/aims of the exchange? (300 characters)

What are the expected outcomes/deliverables of the exchange? (300 characters)

What ways will you share the resources and project results among colleagues and other teachers in your school, country and other countries? (300 characters)
